

The Golden Quest Mystery School

Reverend Rebecca Nagy, Founder and Director

Application for Student Enrollment

Our class schedules include daytime and evening classes at various locations throughout the Charlotte Metro area, along with several satellite groups that are headed up by our some of our instructors. Online webinars and Conference Calls will also be available for certain classes.

Golden Quest's many course offerings are outcome driven and designed to accommodate each student's unique time and location restraints.

Students may enroll by completing the application form below and paying applicable fees.

Include with the application any certifications from prior study, i.e. Reiki training, or other healing modality, workshops you have taken and other course work that would fall under the subject matter of each Mystery School Class, and any other letters of recommendation from former metaphysical and spiritual teacher that you might have.

If you want consideration for previous course work, please submit any of the following:

1. Certificates of attendance from a teacher/facilitator for workshops, seminars, retreats and classes where official transcripts are not available.
2. Diplomas and transcripts from schools that you attended.
3. A \$150 payment must accompany all applications. This will be put towards your initial session with Rev. Rebecca to review your goals and objectives in joining this course of study and to review your karmic indicators in your chart.

Upon acceptance into the program, the first quarter's payment of \$600 is due (\$200/month). Subsequent payments may be made monthly by the 1st of each month. Debit/Credit Card payments available upon request through Venmo, CashApp and Zelle.
